

L-W27C

A Full HD LED-backlit 27" display featuring high contrast ratio and HDMI input which is suitable for home and diverse business environments.

The L-W27C is highlighted by a 27" widescreen LED panel with Full HD (1920x1080) resolution and the 30,000,000:1 dynamic contrast ratio that allows for precise images. With the environmentally conscious consumer in mind, the LED-backlit panel of the L-W27C is engineered to reduce energy consumption. The glossy bezel and matte rear gives the L-W27C a stylish look, while the built-in speakers and full slate of inputs (including HDMI) ensures that all the functionality necessary in a good quality display is included in a product that is well suited for your home or the office.
