## Immersion Turns Your Imagination into Reality

BenQ Entertainment Monitor EW2780

Maximizing enjoyment of the latest HDR entertainment content, EW2780 leverages IPS panel with HDRi and superior audiovisual features to deliver immersive multimedia experience.

## **Be Immersed in Your Audiovisual Entertainment**

## HDRi Brings Your Visual Experience Up to a Brand-New Level

With HDRi, you can always figure out what's going on in the darkness. HDRi offers intelligent clarity adjustment for clear and realistic details in the darkness. Stunning images come from intelligent brightness control plus emulated HDR. Every move and every image immerse you into the exhilarating cinematic world.

## In Awe of Every Touching Moment

Be indulged in the movie world with mid-range sounds as well as with well-defined high end sounds, right sounds intensify your immersion. Experience every striking beat with the speakers, allowing yourself to be moved.

Preset Sound Modes

Cinema : mind-blowing for any action

Pop/Live : get you there in the scene

Dialog/Vocal : clarity means understanding

Your	Entertainment	Your	Way
