

Enterprise-Class Image Quality and Ergonomic Design to Enhance Productivity at Work

BenQ BL2381T Business Monitor

BL2381T, the 22.5 inch 16:10 Full HD IPS frameless monitor with superior image performance and an ergonomic design is ideal for heavy monitor users seeking a display that offers both aesthetics and functionality. BenQ's exclusive Eye-Care technology ensures a more comfortable and optimal viewing experience.

Because it matters

BenQ BL2381T Business Monitor

IPS Wide Viewing Angle Technology

IPS (In-Plane Switching) Technology provides accurate color and image reproduction from any angle. An expansive 178° viewing angle is ideal for work and for on-screen reviews with multiple people in the room.

16:10 Wide Aspect Ratio

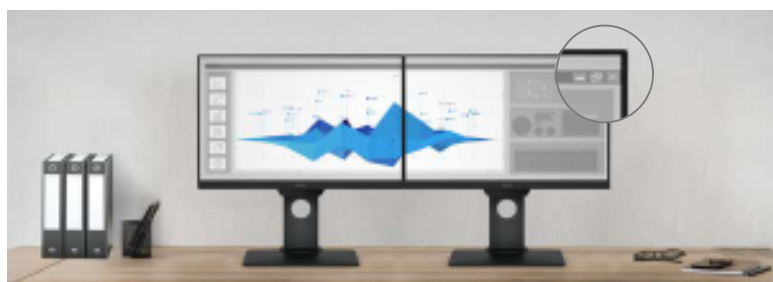

16:10 widescreen aspect ratio offers 1920x1200 maximum resolution and the ease of viewing documents and working in multiple windows with minimized scrolling and toggling between applications.

Ergonomic Design

Easily customize the height, tilt, pivot, stroke and swivel of the monitor to create a perfect user environment and workspace so you can enjoy all the images in their full contexts.

Frameless Design to Enlarge Your Workspace

With a trim bezel width, BL2381T boasts a stylish frameless design to make the monitor look lighter and larger. You can build an edge-to-edge setup and enjoy an expansive viewing experience.

Industry-Leading Eye-Care Technology

BenQ's exclusive Eye-Care technologies reduce eye fatigue for user comfort, enhanced productivity, and workplace safety during extended use. The groundbreaking Color Weakness mode allows users to customize the amount of red or green displayed on the monitor with magenta and cyan filters, ensuring a comfortable viewing experience and color distinction for users.

Green Certification Assurance

BenQ BL2381T is certified as EPEAT Bronze by USA, Canada, Germany, TCO 7.0 and ecoFACTS to promote environmental friendly purchasing decisions for commercial, governmental, and institutional deployment.
