

Lenovo L27i-40 Monitor

Aesthetically pleasing. Functionally brilliant!

The one-stop solution for all your work and play needs.

The Lenovo L27i-40 Monitor is the perfect blend of form and function. Its 27-inch screen provides enough real estate to comfortably view two windows side by side. The In-Plane Switching panel's wide viewing angle ensures that anyone viewing the screen from any perspective sees a consistent image. Slim bezels and a metal stand give the monitor a very contemporary look that goes with any modern desk setup. The In-Plane Switching panel, combined with a 107% sRGB color area ratio and a 99% sRGB color gamut ensures that each shade is reproduced as it was originally created. Its 100 Hz¹ refresh rate and imperceptible 4ms response time² ensure that you're always on top of your game. Two 3W speakers provide rich, stereo sound, giving you the freedom to attend your video meetings and lectures without having to use any earphones or headphones. Along with it, the monitor's audio-out port also gives you the flexibility to connect additional audio gear, if you prefer. Its two HDMI 1.4 and a VGA port give you a variety of connectivity options. The stand's tilt functionality ensures the monitor makes all the adjustments to keep you comfortable. You could also VESA Mount the monitor for a different perspective. Lenovo's Artery Software³ gives you an extremely high level of customizability, allowing you to tailor your viewing experience precisely to your needs. Additionally, the cable management feature, coupled with the in-built phone stand allows you to keep your desk completely clean. The Lenovo L27i-40 Monitor is simply the perfect addition to a minimal, contemporary, and productivity-driven setup!

Features of Lenovo L27i-40 Monitor

Crystal-clear visuals

The Lenovo L27i-40 Monitor's In-Plane Switching panel, 107% sRGB color area ratio, and 99% sRGB color gamut ensure that all the colors on the screen pop, giving you a vivid viewing experience. Enjoying content or getting work done with others is also easier with this monitor, thanks to its 178° wide viewing angles. Additionally, with a 100 Hz¹ refresh rate, 4ms response time², and AMD FreeSync™ technology⁴, you get a completely blur-free and stutter-free gaming experience.

Connect with ease

The Lenovo L27i-40 Monitor's input options, including two HDMI 1.4 ports and a VGA port allow you to connect a wide range of input devices to the monitor and comfortably switch between these devices depending on your requirements. The in-built stereo speakers provide loud, distortion-free audio, whereas the audio-out port allows you to connect your own set of audio peripherals.

Ease into the most ergonomic setup

The Lenovo L27i-40 Monitor's tilt functionality allows you to get the monitor perfectly adjusted to suit your seating position while VESA mounting frees up more space on your desk so that you can get the monitor perfectly placed for your optimal viewing comfort. Natural Low Blue Light technology on this monitor reduces visual strain by filtering out harmful blue light, ensuring that you get adequate eye protection without any color distortion.

¹ HDMI only. | ² Extreme mode. | ³ This software can only be used with Windows 10 & Windows 11. | ⁴ AMD FreeSync™ technology only can work with AMD Radeon™ series graphics card.
