

# LENOVO L32p-30 MONITOR

A VISTA FOR YOUR IMAGINATION

## BUILT FOR BOUNDLESS ENTERTAINMENT AND EFFORTLESS CREATION

Ultra HD panel meets modern design—Lenovo L32p-30 is a display that is devised for immersive creation and entertainment experience. Its 31.5-inch, Ultra HD (3840 x 2160) display provides a clearer on-screen picture with greater detail for gamers and creatives. Users can connect to multiple devices with a wide array of ports, including USB Type-C<sup>1</sup> that also offers power delivery up to 75W<sup>2</sup>. Exclusive Lenovo Artery software<sup>3</sup> enables customization of the user experience with advanced display settings, such as a screen partition option to multitask efficiently. Watching movies and playing games is enhanced with the 90% DCI-P3 color gamut for truer colors. This monitor also comes with a tilt-enabled, dual-tone metal stand that is designed for comfort and style.

Graphic designers, digital creators, and gamers can leverage the In-Plane Switching panel on L32p for a high standard of color reproduction and image quality. In-built AMD FreeSync™<sup>4</sup> technology combined with wide color coverage and high resolution provide a delightful user experience on L32p-20 monitor.

## FEATURES OF LENOVO L32p-30 MONITOR

In-Plane Switching panel

### Get Immersed in a Stunning Display

Whether you need to edit, develop creatives, or level up in your favorite game, the 31.5-inch, UHD, In-Plane Switching panel delivers extraordinary image clarity from wide angles. The 90% DCI-P3 color gamut in the L32p-30 produces high color accuracy, so you get true-to-life colors when consuming content or playing games. Enhanced contrast and accurate color tones made possible by HDR10 lets you immerse fully in a more realistic entertainment experience.

### A Hub for the Home Office

The L32p-30 is designed for those who work hard and play hard at home. Equipped with all the ports you need to connect peripherals and accessories, like full-function USB Type-C<sup>1</sup> with power delivery up to 75W<sup>2</sup>, four USB 3.0 ports, as well as HDMI and DP ports. High-quality video support along with two integrated speakers offer a comprehensive multimedia experience while the Lenovo Artery software<sup>3</sup> allows you to partition your display with ease for a multi-screen setup. With boundless connectivity options, the L32p-30 is truly a hub for the home office.

### Enhanced UX Inside and Out

The user-centric design of the L32p-30 makes it a joy to use for any task. The Lenovo Artery software<sup>3</sup> provides easy access to advanced display settings with the help of a mouse cursor so that you can set up the monitor your way. In-built AMD FreeSync™<sup>4</sup> technology and a 4ms response time enhance gameplay, ensuring lower latency and reduced motion blur and ghosting. The tilt-enabled metal stand can be adjusted to suit your needs and look the part in a modern home.
