

LENOVO D22

WORK AT HOME
PLAY ACROSS THE UNIVERSE

BUSINESS AND PLEASURE HAVE A NEW HOME

With screen time growing in all our lives, and home now a base for learning, work and play, we need new solutions to get the best from every day. Designed to power you through entertainment, study and working at home, Lenovo D22-20 is the answer. Its 21.5", full 1920 x 1080 FHD resolution display delivers crisp images for comfortable viewing, whether you're laying out spreadsheets, taking out opponents or streaming your favorite comedy. Images that are free of ghosting due to its 5ms response time. Get into the best position with its adjustable tilt stand and option for VESA wall-mounting while a low blue light mode reduces eye fatigue even after long hours. And with universal connectivity to your devices through HDMI or VGA ports and integrated cable management through the stand, D22-20 keeps every space connected yet clutter-free. It's the smart option that works or plays to your home advantage.

FEATURES OF LENOVO D22-20 MONITOR

Balanced solution for work and play

The 21.5" TN panel screen is the natural size for its 1920 x 1080 FHD display, keeping pixels sharp and pictures perfect, even when gaming. It's a versatile display that gives you the on-screen real estate you need without taking over the whole room.

Greater comfort all round

Never miss a moment of action with visuals rendered in rapid 5ms response time, which also cuts out ghosting or streaking to give steady game play images. TÜV Rheinland Low Blue Light certification is proven to let you watch in greater comfort, no matter how many shows you binge. And with its adjustable tilt stand, 100mm VESA mount and support for Lenovo TINY pc, it's always in the perfect position to empower your productivity or enrich your enjoyment.

Designed to empower your experience

The monitor's integrated cable management channels wires through the stand itself, keeping your workspace free for better productivity or your entertainment zone a clutter-free joy. Universal connectivity through HDMI and even VGA lets you effortlessly hook up to PCs, TV boxes, games consoles, practically all your devices. Plus Audio Out through HDMI gives you a quality sound signal to your speakers or headphones.
