Features

READER MODE

- Reader Mode provides optimal conditions for reading by reducing blue light helping to protect your eyes. With just a touch of a button, you can comfortably read on the monitor for extended periods of time.

FLICKER-SAFE

- Flicker-Safe new dimming technology is applied to minimize the flicker level that causes eye fatigue. With almost-zero flicking, watching for long periods of time is easy and comfortable.

COLOR CALIBRATED

- Experts have conducted color calibration tests at the production line for accurate color. LG IPS Monitor provides the most accurate and lifelike color for your advanced viewing pleasure.

HDMI

- HDMI interface provides users can enjoy their entertainment without any display lag.
