*NVIDIA® G-SYNC® can only work with NVIDIA® GeForce® series graphics card. Users need to enable the G-SYNC® function in NVIDIA® Control panel.

UNDENIABLY FAST.
UNBELIEVABLY SMOOTH.

The Lenovo Legion Y27gq-25 combines the seamless refresh rate of 240 Hz, the fastest response time of 0.5ms, and the advanced NVIDIA® G-SYNC® technology* for an insanely fast and smooth gaming experience. Minimized screen tearing, display stutter, and input lag allow you to enjoy distraction-free gaming. With enhanced responsiveness and reduced motion blur you can take full advantage of the crucial split-seconds during fast-paced gaming sessions.

IMMERSIVE AUDIOVISUAL
EXPERIENCE

The NearEdgeless QHD display with 2560 x 1440 resolution offers exceptional visual clarity to elevate your gaming experience. Feel the adrenaline as you play on this monitor with realistic, sharp, and remarkable graphics. The NearEdgeless design with a narrow bezel allows you to view more during screen splicing without missing on details. Also, the anti-glare display with flicker-free technology and TÜV Eye Comfort minimize reflections and reduce eye strain, to help you focus on the game. The detachable Harman Kardon certified speaker provides superior sound quality for an immersive gaming experience.

MAXIMUM COMFORT.
ADVANCED CONNECTIVITY.

The clean look of the Legion monitor gives users a premium experience. A convenient headset hook allows users to keep their headsets away safely, reducing desktop clutter. And a tool-free design makes it easy to setup the monitor. On the port side, HDMI 2.0 and DP 1.4 ports ensure smooth game content and USB 3.0 ports facilitate rapid data transfers. An innovative single audio combo jack enables audio input and output. Additionally, the Lenovo Artery 2.0 software enables you to customize and change the monitor settings, including gaming mode and desktop partition to suit your gaming preferences. With the ergonomic lift, tilt, pivot, swivel functionality, you can position the monitor to suit your ideal position. This VESA compatible monitor also allows you to easily wall mount the display for better viewing.
