## FEATURES

### Built-In Speaker

Built-in speakers allow you to listen clearly without connecting external speakers.

### Anti-Glare Display Design

An anti-glare display makes viewing the display more pleasant for users and reduces eyestrain for users.

### Anti-Flicker technology

MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.

### Less Blue Light

Effectively reduce blue light which could cause serious long-term damage to your eyes.

### VESA Mountable

To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.

### Display Kit Support

Providing the most convenient tool, the proper color & display mode to you while working with it everyday.
