Everything you need and nothing you don't

S24E450DN 24" desktop monitor with no stand

It's easy to see Samsung's S24E450DN desktop monitor is designed with extreme affordability and efficiency in mind. For starters, it ships with no stand, which is ideal for those who use a third-party wall mount or other mounting solution. No stand means no waste and no disposal costs for something you won't use. The Samsung S24E450DN also features Off Mode power consumption of less than 0.005W, saving energy and overhead. But even though it's a value-minded monitor, it's rich in features that enhance business productivity. Like a 24" low-glare, commercial-grade TN panel, VGA, DVI and DisplayPort connectivity, a stylish matte black bezel with clearly labeled buttons, speaker bar compatibility, VESA mount compatibility and a 3-year warranty. The Samsung S24E450DN. It's designed to help businesses do more with less.

Key features

No stand, no hassle, no waste
Businesses that mount their monitors using a third party solution and therefore don't need a stand also don't need the hassle of unpacking/uninstalling them and finding a way to dispose of them properly. The S24E450DN eliminates the extra time, waste and disposal cost by eliminating the stand.

Environmentally friendly
Industry-leading features include approximately 30% recycled material, less than 0.005W Off Mode power consumption, Eco features to reduce power consumption when monitor is in use, and fully recyclable packaging.

Slim design
The sleek, stylish design is ideal for wall mounting, and makes the office look just as sleek and stylish.

Impressive picture quality
The LED-backlit LCD screen delivers sharp, bright, beautiful images. Mega infinity dynamic contrast ratio ensures subtle detail even in the lights and darks, and MagicAngle technology delivers improved color even when viewed off-angle.

Fast, easy connectivity
VGA, DVI and DisplayPort 1.2 give users their choice of easy connectivity.

Easy on the eyes
When Eye Saver Mode is active, blue light levels are lowered, for reduced eye strain during long work hours. Flicker-free technology adds further viewing comfort by eliminating flickering at all levels of brightness.

Speaker bar ready
The Samsung SPU10 (sold separately) is designed to be attached seamlessly to compatible Samsung monitors, with no additional cords or cables. It adds rich stereo sound with a clean, integrated look.
