DESCRIPTION

The sleek and stylish 23.8" monitor from V7 features an ADS Panel that delivers the highest color accuracy, faster panel response (ms) overall, and widest viewing angles for a truly stunning display. Boasting a height adjustable stand with swivel and tilt for optimum ergonomics the monitor easily adjust to your needs. It features DVI, HDMI, VGA and Displayport connectors so you can be sure it will work with virtually any machine you want to connect. With full HD 1920x1080 resolution, vivid colors and integrated speakers, this display provides a rich, multi-media experience for business or pleasure.
