Fast Action 144Hz Gaming Monitor

1ms Response Time for Blazing-Fast Performance

XG2401

Available for this model:
Privacy Filter Screen Protector
VSPF2360
(Sold Separately)

Engineered to exceed e-sports standards, the ViewSonic® XG2401 enables you to respond to threats and dominate the competition like never before with its virtually instantaneous 1ms response time. This 24" (23.6" viewable) monitor features AMD FreeSync™ technology for smooth, tear-free visuals during intense fast-paced action scenes. More than just a speed demon, this monitor ensures your competitive edge with a Game Mode feature and black stabilization functions that deliver heightened visibility and detail so you can see your opponents' every move. With a gamer-inspired ergonomic stand that features an integrated headphone hook and cable management functionality, the XG2401 has all you need to conquer your gaming and entertainment quests.

Key Features:

144Hz refresh rate

Ultra-fast response time
